I am pleased to write this letter of recommendation for **Ms. Rose Sami Hummusani**, who successfully completed her cooperative training at **Kwaidi** from **June 23, 2024** to **August 15, 2024**.

During her internship, Rose consistently demonstrated strong commitment, professionalism, and a willingness to learn. She contributed effectively to the team and showed a high level of competence in front-end development tasks. Her responsibilities included:

- Working with ERP systems and handling ERP documentation
